

# UKSM WALK IN INJURY CLINIC

The UK Sports Medicine Center at the University of Kentucky Clinic offers a walk in clinic for sudden sports injuries. Walk ins are accepted from 7:30am to 8:00am, Monday through Friday. The UK Sports Medicine Center Walk in Clinic is staffed with fellowship-trained physicians and offers physical therapy and rehabilitation services for any acute sports-related injuries. At the UK Sports Medicine Center, we can help you return back to your game.

- No appointment needed
- Sports fellowship trained physician care
- Patients seen next day following injury
- UK Sports Medicine Center...**WE GET YOU BACK IN THE GAME!**
